# Outlook: Operating EBIT of at least € 45 million anticipated

#### Qualitative assessment of the development of sales revenues

|                                 | 2017 |
|---------------------------------|------|
| Revenue from old-age provision  | 0    |
| Revenue from health insurance   | 0    |
| Revenue from wealth management  | +    |
| Revenue from non-life insurance | +    |

very positive: ++, positive: +, neutral: 0, negative: -, very negative: --

#### **Operating EBIT**

## **Summary**

- Good basis established in the first nine months, but reservations in the old-age provision segment still discernible
- Further optimisation of the Group structure running to schedule banking and brokerage business as independent companies from the end of November
- The closing quarter remains extremely important in MLP's business model further pick-up in the old-age provision necessary to reach full-year targets
- Operating EBIT of at least € 45 million still anticipated
